

# Solid Wooden Dining Table With Metal Box Frame- Industrial Design - 1.5m / 1.8m / 2m Seats 4-8 persons

£386.00 **£289.00**

Here's how you can renovate your dining room, kitchen or office into a livelier one! We bring you the premium quality dining table carefully crafted using pine with a fixed flat pack and a semi-gloss chunky rustic industrial finish on metal frame box legs finish. Choice of 3 colours from Dark Brown Varnish, Yellow Birch or White Ash

## Why Choose this Pine Industrial Style Chunky Solid Wooden Table/Desk?

Please keep in mind that this is not reclaimed wood. We use solid Uruguay pine wood that delivers an exquisite natural wood pattern - and as a natural product variation in shade and size does occur so please bear in mind the thickness after hand sanding can be from 40-50mm. Natural wood has characteristics that include cracks in the wood, knots, mineral deposits, inclusions, as well as grain and pigment variations (sometimes filler or a patch is required). Therefore, we appreciate the beauty of nature and bring it to our customers.

### Worried about durability?

Your comfort, as well as durability, are our priority! We have pre-installed a strong steel box section industrial frame powder coated black supports the worktop with height-adjustable feet to level on any surface.

### Difficulty during assembling?

No worries, we got you! This table is easy to assemble as no extra tools is required as the spanner and bolts for basic quick 5 minute assembly are included out of the box - PLEASE NOTE - DUE TO THE SIZE AND WEIGHT OF THE NATURAL WOODEN WORKTOP CIRCA 40KG, WE RECOMMEND A 2 PERSON INSTALL/BUILD TO AVOID DAMAGE OR INJURY - WE CANNOT BE HELD LIABLE FOR ANY DAMAGE THAT OCCURS FROM BUILDING OR POSITIONING THE TABLE/DESK AFTER RECEIVING THE DELIVERY
